HOOVER
H.S. SCHOOL

VIKING 1970

HOOVER HIGH NORTH CANTON, OHIO

Noses pressed to the glass, freshman-to-be peered down the dark, empty halls of Hoover, wondering what was in store for them. They did not discover until fall, and perhaps still do not fully realize, that Hoover has the potential to offer them growth, romance, gaiety, and learning. Not until four years later when they are preparing to don cap and gown can they judge how much of this potential opportunity they were able to capitalize on. Even the least interested of students will admit, perhaps years later, that his experiences at Hoover served as a guiding light to the future.

stay dent life

To every thing there is a season,
And a time to every purpose under the heaven.
 These are the sensitive years,
 when together we reach out
 and touch life—
 taking it to us and making it our own.
 We feel the joy of victory and the agony of defeat.
 We know the turbulent emotions of love and hate,
 hope and despair.
 Together we begin life's greatest adventure—
 Youth.

*A time to sow and a time to reap
We face the complexities
of new dimensions of thought
as we probe the secrets of our minds
The seeds grow in the fertile soil of curiosity
and we seek the why of our existence
The marvelous machinery of life unfolds
before young eyes both eager and awed*

A time to laugh

We are swept up

in the joyous exuberance of youth

We capture and hold

the magic and wisdom of childhood

and upon it

we will build tomorrow

A time of love and a time of peace

Sensitive aware of the magnificence of being young and alive
we glory in our love affair with life

We laugh and sing and dream with all the power and ecstasy that is ours

Love itself is a dew-fresh discovery to newly-awakened hearts

Our child's world of ME widens to the beauty of US

The long road is easier to travel because we share it hand-in-hand
and we find solace in the warmth of each other's arms.

How strange it is to imagine a time

when we are no longer young and ardent and full of dreams!

So soon these hours slip away

and yet their magic will touch our hearts whenever we look back

For we knew these things, because we were young

THE MUSEUM

INTELLIGENT STAFF AIDS DR. BRANDAU

Working in cooperation with the Board of Education and in close contact with faculty, parents, and the public, Dr. Brandau strives to maintain and improve North Canton Schools. Although this was his first year as superintendent in North Canton, he previously held the same title at Fairless Schools. He was challenged this year by various building programs in addition to regular work. Mr Hudson and Mr. Russell insured Dr. Brandau valuable assistance.

Mrs. Brown dedicated herself to attending the office work that is necessary for maintaining a quality school system. Her many services are greatly appreciated

BOARD SETS POLICY FOR LOCAL DISTRICT

MRS VALERIE TUCKER
Board of Education Secretary

MRS JO ANN WELKER
Board of Education Secretary

The Board of Education met in a special session Tuesday night to set policy for the local district. The meeting was held in the boardroom of the school building.

Present were the following members: Mrs. Valerie Tucker, Secretary; Mrs. Jo Ann Welker, Secretary; and the following members of the board.

The board will meet again next Tuesday night to discuss the budget for the coming year.

DR. ROBERT A. HARRIS
Board of Education Member

The Board Members are (seated at left) R. E. Jones, A. W. Yonally, R. C. Weister. Standing, at right, H. W. H. H.

COMPETENCE IS KEY IN THE MAIN OFFICE

Student aides serve the school offices while gaining a knowledge of office procedures

MRS. MARY LOU WILLIAMS
Main Office Secretary
Athletic Ticket Director

MISS MABEL L. STUDER
Secretary to Principal
A.B. Bluffton College
Canton Business College

As the student population of Hoover High School grows larger and larger, so do the duties of Principal Richard Armstrong. Among his diversified tasks are curriculum selection, faculty supervision, and class scheduling for the 1480 pupils. Dedicated to the hope that the 1969-70 school year would be successful, he spent many hours of the previous summer preparing for it. His efforts enabled each student to have the opportunity of a year of educational enrichment.

Mrs. Williams and Miss Studer aided Mr. Armstrong in keeping the office procedures organized.

RICHARD ARMSTRONG
Principal
B.A. Baldwin-Wallace College
M.A., University of Akron

DONALD C. LAHUE
Assistant Principal

B.S. Kent State University
M.Ed. Kent State University

MRS. CATHERINE CLINE
Secretary & Attendance Clerk

Through organized office files
school personnel may keep in
close contact with students

MR. LAHUE OVERSEES SCHOOL ACTIVITIES

You can never really help a person by doing for him what he could and should do for himself." Such is the philosophy of Mr. Donald LaHue, Assistant Principal. Mr. LaHue works closely with Hoover High School students in disciplinary regulations and attendance matters. Serving as advisor to the Student Council, Mr. LaHue helps to firmly bind the relationship between the student and the teacher. The representatives appreciate his attention to their opinions. Mrs. Catherine Cline assists Mr. LaHue as both secretary and receptionist. Besides her many clerical duties, she is also kept busy by the attendance records and numerous financial reports.

CONCERNING ADJUSTMENT PROBLEMS

MRS. BARBARA PORTER

School Psychologist
B.S. University of Akron
M.A. University of Akron

We know not what we know but what we are, and today's students deserve the best we have to offer. Much work is done with pupils of all ages under the direction of North Canton's growing departments of school psychologists. Although most of the work has been done with children from the city's elementary schools, the program is also available to the secondary student. Children work with the psychologist in hopes that their educational and emotional problems may be solved.

Mrs. Hamlin is available to teachers so that they may discuss any problems in classroom procedure which require special attention. Mrs. Durben fulfills the secretarial duties for the entire staff.

Mrs. Porter and her associates hold conferences discussing the day's experiences. They serve the public schools of the entire city.

LIBRARY AIDS STUDENTS' INQUIRY

Who knows only his own generation remains only a child." This statement has always been a favorite to school librarians Mrs. Hammack and Mrs. Bundy. The librarians are always willing to help the concerned student research the materials he needs. In this way students may grow and learn in many areas.

Mrs. Ruth Mills takes charge of the secretarial duties and the copying machine. Her assistance enables Mrs. Hammack and Mrs. Bundy to devote time to the pupils.

B.A., Denison University

The study of English is aimed toward providing the student with a better understanding of his language and the means by which he can use it to his advantage. As a freshman, the student explores forms of literary types. The sophomore year is devoted to the study of American literature; the junior year, to English literature. The senior program is new this year. Each student chooses four nine-week courses to fit his interests. Speed reading is available for improvement in speed and comprehension, while Business English teaches proper methods of business communication.

FUTURE DEPENDS ON PAST

A thorough understanding of social studies is imperative for students in today's world. The social studies courses at Hoover attempt to supply students with this understanding. World history provides students with a background of the world and its conflicts. American history is a requirement for all students. The United States and its problems are discussed in American government which is taken by seniors. Contemporary problems, a newly innovated course at Hoover, deals with the effect of war and peace on the world. Another new course is world cultures which looks at the roots of western civilization and at selected cultures of the world.

Mathematics at ~~Haver~~ offers the best possible course in preparation for future years. The curriculum offers shop math, business arithmetic, general math, algebra, geometry, trigonometry, and senior math

In the freshman year students take algebra or general math to prepare for courses in geometry and math of a higher level. The sophomore year offers plane and solid geometry and leads into the second level of algebra for the junior year. The senior year deals with trigonometry, college algebra and a course in senior math

In addition to the regular math courses, junior and senior classes are taught to use a computer. This is used to introduce students to the basics of the computer and its uses

SCIENCE IS TRUTH

A four-year course in science is available as part of Hoover's curriculum. Some of the courses offered are general science, earth science, biology, chemistry, and physics.

Students are aided by experiments, slides, movies, and demonstrations. The science laboratories enable students to better understand the lectures by actually working with the live and preserved materials.

Every year science students have the opportunity to construct and develop their own experiments for the Spring Fair.

SPIRITS GIVEN LIFT

The music program of Hoover offers many varied courses so that most students are able to participate in the activity in which they are interested. The vocal section consists of the Acapella Choir, Junior and Senior Girls' Glee, Sophomore Mixed Choir, Sophomore Girls' Glee, Freshman Girls' Glee and the Freshman Mixed Chorus. Also offered under the supervision of the vocal music department is Music Theory. The Marching Band, the Concert Band, the Cadet Band and the Orchestra are Hoover instrumental activities. The Dance Band and small ensembles allow students to pursue their interest in a more relaxed atmosphere.

CREATIVITY IS INFLUENCED IN ART CLASS

The goal of the Hoover art program is to develop the student's appreciation for the world around him. In his first two years, the student is exposed to the many different media available in art. In Art III, the more specific areas of art are studied. When the student reaches his fourth year of art, he is allowed to work on various subjects at his own discretion. Besides learning in art classes, the student gains experience through his work around the school. Art students this year displayed portraits of Hoover sports participants, beautified the lobby at Christmas time, and played a vital role in decorating the gym for the prom.

These two girls eagerly examine the fruit of their labors.

PRACTICE GAINED IN HOME EC.

In Hoover's home economics curriculum, girls prepare to become skillful and creative homemakers. The essentials of home economics, cooking and sewing are studied in the freshman and sophomore years. The students learn to make simple articles of clothing, and they discover the basic ideas that aid them in the preparation of meals. The third year of "home ec" is concerned with home management, interior decorating, home nursing, and the various home economic vocations. There is no prerequisite for Home Economics III or for Home Economics IV. This last year of home economics centers around films Marriage and family living, consumer buying, cake decorating, and child care are the subjects for study. It is anticipated that the girls will soon become wives and mothers and the courses are offered so that the girls can learn the things that are vital to a happy marriage.

In sewing class, this student's problem is quickly solved with the aid of Mrs. Mosher.

CLERICAL INSTRUCTORS ADVISE NOVICES

MRS. OLGA P. CHICK
Commercial
Youngstown University

Two intensive office programs and an assortment of individual courses make up the Hoover High business program. The clerical program, which emphasizes recordkeeping, offers courses in business law, bookkeeping, filing, machines, business arithmetic, business English, typing, and automation. With the stress on shorthand and transcription, the secretarial program has filing, typing, production typing, business English, automation, transcription, machines, and shorthand. Also in the business program are Typing I, personal typing, bookkeeping, and recordkeeping. These courses are designed to give the student who does not necessarily plan to enter a business field a sound background for his future needs.

Mrs. Herrington and a student converse about the many problems which arise while learning to type.

INDUSTRIAL ARTS TEACHES USEFUL SKILL

A wide and varied subject offering attracts many of Hoover's boys to industrial arts courses. Metal and machine shop, woodworking, mechanical drawing, graphic arts, electricity, and power mechanics are the courses available. In the ninth and tenth grades students deal with introductory and exploratory ideas in these fields. As juniors and seniors, they are able to continue study in specialized courses. Industrial arts students put their skills into practice throughout our school system. They build and repair school equipment and print schedules and programs for special events.

NORWOOD W. DAVIDSON

The skills learned in woodworking class can be put to a practical use and often they result in a successful finished product.

P.E. EXERCISES DISCIPLINE

MISS MARCIA LOWE
Health, Physical Education
Advisor, Cheerleaders
B.S. Ashland College

The Hoover High physical education program, in which mostly freshmen and sophomores participate, attempts to introduce students to a wide range of games and sports while keeping them physically fit. Freshmen and sophomore girls learn the fundamentals of volleyball, the trampoline, self-defense, bowling, folk and modern dancing, track, and a variety of team sports. Boys play baseball, basketball, and football, and they learn to wrestle. Students also take health during their freshman year. In health class, the basics of personal hygiene, personality studies, and tips for staying in good health are discussed.

DON HERTLER
Health, Physical Education
Coach, Football and Baseball
B.S. Wittenberg University

MRS. NANCY MINTON
Health, Physical Education

CLASS OFFICERS INDICATE JUNIOR SPIRIT

The class of 1971 looks back to past accomplishments with pride and appreciation. Our class proved itself both capable and responsible in its willingness to work with others. We have excelled in all fields, including scholastics, athletics and music.

We extend our appreciation to both the faculty and our Junior class advisors for all the gracious help they gave us in our times of need. We look forward to our Senior year with great expectations and hope for continued success as we have achieved in our past years at Hoover.

The Junior Class Officers for 1971 were Mark Radosevic, historian; Dale Van-
retary, Darrel Goad, president and John

FUTURES ARE PLANNED

Mr. and Mrs. [Name] are shown with their daughter, [Name], who is a member of the Future Teachers Association.

These are the members of the Future Teachers Association who are planning to enter the teaching profession.

These are the members of the Future Nurses Association who are planning to enter the nursing profession.

These are the members of the Future Engineers Association who are planning to enter the engineering profession.

These are the members of the Future Scientists Association who are planning to enter the scientific profession.

These are the members of the Future Lawyers Association who are planning to enter the legal profession.

SOPHOMORE OFFICERS SHOW A POSTIVE

The 1969-1970 sophomore class entered their second year at Hoover High School with as much enthusiasm and ambition as they did their freshman year, making it as enjoyable as their freshman year had been.

Many sophomores excelled in all of the aspects of scholastic achievements with approximately 33% of the students having a B average or better, in athletics, with the all-sophomore reserve basketball team, and in music with the Sophomore Mixed Chorus. They have tried to uphold the standards set by the upper-classmen.

As sophomores they have advanced their knowledge in many fields, especially the areas of biology, home economics, and geometry. The 1969-1970 year has brought them new and rewarding experiences that will never be forgotten.

Math and Science teams have brought the school much honor in the past and the outstanding students has upheld the tradition. The "National Merit" test is given to narrow the class down to ten students for the preliminary test. After these ten have taken the preliminary test the top four students are determined. They then take the scholarship test and are rated on a state-wide scale.

National Merit Scholarship tests are conducted throughout the country. The 15,000 Semifinalists are chosen by a test taken during the Junior year. These students then file forms, hoping to become finalists and eligible for the college scholarships offered.

IDEAS ARE SHARED

To be an exchange student, a student must be recommended by the Rotary only picks the best of the students. These people must be recommended by the community. There are applications, letters of recommendation, and interviews to go through. But if a student does qualify, he or she will have a very good experience. The experience of being an exchange student is not just a vacation, and not just a chance to see the world.

Presently in foreign countries as representatives of our community are Vicki Thomas, in Sweden, Cindy Thomas, in Mexico; and Mark Samblanet, in Brazil.

The Exchange Students were Paul Bartolucci, Argentina, Jennifer Zimmerman, South Africa, Teresa Guerra, Brazil, and Jan Thomas, Sweden.

STUDENTS SEE POLITICS IN ACTION

The girls' representatives participated in a "governmental lab" from June 14 to June 17. The girls selected to go to Columbus were sponsored by the American Legion and the Junior and Senior Women's Club. There, they were elected or appointed to various offices as representatives of the House and city attorney.

Boys' State was conducted in Athens, Ohio. The American Legion and the Rotary were the sponsors for these outstanding boys, who made a good showing by becoming a city councilman and a clerk of Court of Appeals.

The experience was very rewarding.

Cathy Kolp, Keith Ritchie, Nadyne Stalman, Charles Shuster, and Beth Perdue were our 1969 Boys' and Girls' State representatives.

HOOVER NHS TAPS CANDIDATES

The National Honor Society has chapters in every state and in many countries abroad that have American schools. This year forty-nine new members were inducted during an assembly at which the old members recited the pledges to the stage where they received candles, pins, and programs. Randy Geib, president, presided over the ceremony for which Ted Honold, vice-president; J. J. Weston, secretary-treasurer; Charles Schuster, Peggy Large, and Kathy Cross spoke on the Honor Society's ideals: Character, Scholarship, Leadership, and Service. The main speaker was Thaddeus Garrett who is very active in the "new politics."

NFL PROVES REWARDING

The National Forensic League gives its members the opportunity to participate in inter-school debates and individual competition. Both the "A" and the "B" debate teams had very successful seasons: the "A" team had a 10-0 record, the "B" team, 5-1. At the Euclid Invitational, which was the season's high point, the varsity "A" team tied for first place and took second, and the "B" team received the first place honor. This year's debate topic was Resolved: That Congress Should Prohibit United States' Unilateral Military Intervention in Foreign Countries.

In individual competition Dawn Slayman gave a dramatic interpretation and Jeff Gilman, a humorous one. Nadine Slaymen and Jean Kabala delivered original oratories, and Dave Skibbens and James Raymond participated in extemporaneous speaking.

A black and white photograph of a woman with dark hair, wearing a white dress, sitting on a bed. She is looking down at a small object she is holding in her hands. The background is dark and indistinct.

91	92	93	94	95	96	97	98	99	100

The Math Club is for students who wish to gain more knowledge of mathematics and the role that it plays in today's world. They learn about new mathematical concepts and the practical application of them to modern science and industry. Included in their activities throughout the year were guest speakers from neighboring high schools and colleges and the annual picnic in the spring. The high point of the year was a tour of the NASA Lewis Research Center in Cleveland.

Members of the French Club increase appreciation of the history and culture of France

LANGUAGE LAB ASSISTANTS: Front Row: C. Lewis, C. Houston, C. DiRuscio, D. Witham, Row 2: R. Hull, S. Cornish, K. Ritchie, C. Vesta

The French Club offers students a knowledge of the life and society in France. Because it breaks away from the routine of classwork, the French Club cultivates an interest in the cultural aspects of France. Included in their many programs throughout the year were an initiation, Christmas caroling at homes for the aged, and a talk given by an exchange student. They also invited the French Club from a neighboring school to a skating party, and wrote a Christmas letter to a Vietnam serviceman. Highlighting the year were the annual French Banquet and a Mardi Gras.

Preparing interesting meetings throughout the year were club officers Faith Weston, president; Jeff Lotz, vice-president; and Bridget O'Loughlin, secretary-treasurer. Advisor to the group was Mr. Spaulding.

MEDICAL ARTS CLUB
 Bishop V. Padon
 B. Beavers D. St.
 J. Gad hel. D. Snyder

The Medical Arts Club is mainly a service organization. Its prime objective is to further the student's understanding of the different fields of medicine. The club visits hospitals and sees the different career opportunities available to them. During the year the club took field trips, listened to speakers, and accomplished several projects which were helpful to the community.

ASSISTANCE GIVEN

Even though it has fewer members than most of the organizations at Hoover High, the Junior Red Cross Club is one of the most active. At Christmas the club conducted a Toys for Tots campaign and sent a recording made at Hoover High to alumni serving in the armed forces. They also sponsored a number of volunteers who helped at St. Luke's Home for the Aged. The Red Cross Club continually makes worthwhile contributions to the school and the community. Members give of themselves, their time, and energy to make life easier for those who are in need of comfort and companionship.

The Home Economics Club is a group of girls who are interested in learning about home management. They meet regularly to discuss various topics related to home economics. The club has a variety of projects and activities that help them learn about home management. They also have a display window where they show their projects.

The Home Economics Club is a group of girls who are interested in learning about home management. They meet regularly to discuss various topics related to home economics. The club has a variety of projects and activities that help them learn about home management. They also have a display window where they show their projects.

Home Economics Club offers the girls many opportunities. These girls are learning about home management.

HOME EC. TEACHES HOUSEHOLD ARTS

The girls are showing their projects in the display window. The girls are Nancy Craven, Mrs. Artzner, and the other girls.

Home Economics Club offers girls a chance to become better acquainted with the field of Home Economics than they normally would in a classroom. Throughout the year various speakers were heard by the club members. These speakers discuss the particular field of Home Economics they specialize in. Included in this group of speakers was a seamstress who has her own television show. Home Economics Club also has service projects to benefit the community. This year they bought clothes and toys for underprivileged children at Christmas. Climaxing the year and bringing it to a close was the annual Mother-Daughter covered dish banquet. Nancy Craven the president and Mrs. Artzner the advisor led the club through a successful year.

SCIENCE STRESSED

The Biology Club hopes to help those students who may be thinking of a career in biology. Biology Club has extensive experience in conducting the regular limited class time. Activities this year included a field trip to Cleveland, a movie on cancer research and various dis-

Patti White, secretary of the Art Club, paints a picture for one of her Art Club projects to enter in the Art Show at the annual Spring Fair.

MASTERS CREATED

In March of 1968 an Art Club was organized for the students of Hoover High with the purpose of providing an outlet for students to experiment and do art work outside of classes. This year meetings were held once a month. Mr. Palmer and Miss Negulic were the advisors.

Seventy-five students signed up to join. Included were students who did not even take art. Projects were quite successful. They included making glass flower arrangements and selling them. They also made posters and did advertising for other clubs in the school. The Art Club has a big display in the annual Spring Fair too.

With the money earned from projects, several field trips were taken to various Art Shows and Art Museums. At the end of the year a banquet was also held.

The Art Club officers for 1969-1970 were Patti White, secretary; Mary Ann O'Loughlin, vice-president; and Jill Cox, president.

STUDENT AID APPRECIATED

Indispensable to the smoothly efficient running of our school are the offices of the student body. Every person who works in the student body is a main guiding force in the school. By their actions they are carrying messages and information to the other students, teachers, and administrators that the secretaries are the most important part of the school.

Every day the student body is plagued by the same old problems.

LIBRARIANS FIND BOOKS

The librarians are helped in their duties by the student librarians who perform a great variety and number of tasks. Included in these are taking charge of the circulation desk, maintaining the vertical file, and shelving the returned books. They also keep the shelves in order by periodically 'reading' and scrubbing them.

SCHOOL'S SPIRIT IS BOOSTED BY CLUB

To promote school spirit and to provide different services for both the school and the community were two goals set by the Booster Club officers this year. To accomplish their first goal they sold pep tags, held a door decorating contest, and sponsored the annual Homecoming weiner roast. Providing refreshments for the cheerleaders at half time of the football game, paying for the emblem of the Viking head in the center of the football field, keeping the school activity sign up to date, and selling programs at basketball games were a few of the ways they accomplished their goal of service. One social event looked forward to by all the members is the annual Turnabout Dance where the girls have to ask the boys. Every year a particular theme is chosen and everyone who comes to the dance has to dress accordingly. Prizes are given for the best costumes.

Booster Club is the largest club in the school with 100 members. Because of its large size the Booster Club has also helped the school as a whole to become more united. Through its various projects members have been able to work together to accomplish large tasks that a smaller organization could not have accomplished. Booster Club has also given members of different classes a chance to become better acquainted. However, Booster Club could not have accomplished all that it has this year without its competent officers and advisor. Leading the club were Randy Geib, boys' president, and Jill Bendle, girls' president. Aiding them were John Dannemiller, vice-president, and Becky Hertler, secretary-treasurer. Mr. Kenneth Martz spent a great deal of his own time in advising the club and chaperoning activities.

Simpson gets some first hand

STUDENTS' REPRESENTATIVES SPEAK OUT

The Student Council, a governing body helped to improve the relationships between the student body and the administration. Members of the Student Council were elected by their respective homerooms on the basis that each member should do a fine job of representation.

Different activities of the Student Council included planning the Homecoming activities, selecting and sponsoring assemblies, and participating in a student exchange program with Louisville High School. They also supervised the election of cheerleaders.

Leading the Student Council was senior Ted Honold who presided over the meetings and introduced the various acts and speakers at the assemblies. Advising the Student Council was Mr. Donald C. LaHue, the assistant principal. Other officers were Kerry Key, vice-president, Debbie Morabito, secretary, and Andrea Bozeka, treasurer.

The 1969 Homecoming court and escorts were (left to right) Freshmen Jeanne Baker and Dan Slips, Juniors Connie Curren and Peppy Lindsay Curren, and Bower crownbearer Jo Zehnder. Senior attendant hopes story.

Beginning with a pep rally on Friday afternoon, the excitement of the 1969 Homecoming had begun. A victory march to the stadium preceded the game. The highlight of Friday night was the crowning of Gabie Starcher as the 1969 Homecoming Queen. She was crowned at pre-game ceremonies by the 1968 Homecoming Queen, Miss Karen Naughtrip. Then, the queen and her court sat back to cheer their Viking team on to a 39-0 victory over the Glenwood Eagles.

On Saturday night the Homecoming weekend was climaxed by a Homecoming Victory Dance in the school gym. The theme of the dance was "Homecoming on the Moon."

YOUNG LANCELOTS ESCORT MAIDENS TO

Camelot and King Arthur's Court was re-created. The theme was brought to life as the hard-working Junior class decorated and transformed the gym to emphasize the mood. Couples entered the magnificent ballroom over the drawbridge. Queen Denise, who was crowned by Junior Class president Ted Honold, reigned over the medieval celebration from her majestic throne. Scribes and pages waited on the guests serving refreshments and taking coats.

The After-Prom, which was held at the Jewish Center, was sponsored by the Junior parents. The Hopson's Choice was the center of attraction, but everyone made full use of the center's many facilities. The traditional Sunday picnic concluded the all-too-short weekend, which left each person with unforgettable memories of "Camelot."

The 1969 Prom Court and escorts were Lynda Petros, Junior, escorted by David Eck (only son of the groom), and Joyce D. The Queen was crowned by B. Parker, Judith Edmondson, Senior, escorted by Jim Pamien, and Nancy Cantini, Junior.

DREAMLAND OF CAMELOT

The Junior Senior Prom, the big for
mid-year is always very popular.
Couples will line up outside of the
entrance.

Coming in from the cold, the couples were transported back
into a medieval courtyard where they entered their names into
the guestbook.

Queen Denise was crowned during intermission by Junior Class
president Ted Hendon. The guestbook was presented to her
following the dance.

SOVEREIGNS RULE

The Band Prom '69 is one never to be forgotten by the people who attended it. From the preparations to the final cleanup, the students expressed their ingenuity and talents. The highlight of the night was the hundreds of colorful balloons scattered about the floor. In the background the backlit mosques added to the Far East atmosphere. Reigning over the prom from the Sheik's Palace on the stage were King Michael Howard and Queen Carol Roberts. The attendants to the fair queen and their escorts were chosen by the various classes.

[illegible]

Dancing amidst the multi-colored lanterns, the court in the traditional Qubao lions.

Left to right: Art and Mike Rizzo, Dave Tisbrow and Rick Hudson, King and
a group of young men, and (from left to right) Howard B. Howard and Arlene Weeks
and Tom Rizzo.

The 1969 Track Queens Kris Miller, Senior; Marcia Miller, Junior; Mary Jo Spencer, Sophomore, and Karen Holdren, Freshman, reigned over the spring track event at Memorial Stadium. The rain did not dampen the girls' spirit as they cheered for their team. Trophies were presented by the queens to the winners in the competitive track events.

Elected by the 1969 Track Team as their queens were Karen Holdren, Mary Jo Spencer, Kris Miller, and Marcia Miller.

The Spring Sing Court is Connie Cutshaw, Judi Virsack, Jenny Zimmerman, Diane Van Valkenburg, JoAnne Sturiale, and DuPont.

The theme for the annual Spring Sing, "How the West Was Won," was carried over to the dance following the program. Imagine oneself in an old western dance hall — that was the setting for the evening's activities. The Queen of the West was Diane VanValkenburg, as pretty as a western sunset! Her attendants were selected from the different choral groups. Jill DuPont and Jenny Zimmerman represented the choir, Judi Virsack and Connie Cutshaw, Girls' Glee Club, and JoAnne Sturiale, the Freshman group.

FRESHMEN VOICES UNITE

Just joining the ranks of the Choral Department are these eager, young freshmen. They have varied tasks to complete. While they are learning to sing, they can support the present functions of all facets of the department. They participate in the Spring Sing with the combined choirs

Already part of "the ranks" are the girls in the Glee Club. This year these girls bought material and made their own uniforms. They displayed their costumes and talents for the Thanksgiving Assembly and then joined with the choir and the sophomores for the Christmas Program

SOPHOMORES MIX MIRTH WITH MUSIC

One step away from the A Capella Choir are the boys and girls of the Sophomore Mixed Chorus. Since they started as Freshmen, they have been increasing their skills in the music field. Next year, it will be their turn to audition for the A Capella Choir. Their performances this year included a cheerful "note" at the annual Christmas show, and an opportunity for competition against other beginning and top choirs from all over the area in the Spring. To highlight the year, they participated with all the other choral groups in honoring the American astronauts.

The Sophomore Mixed Chorus is gently to perfect as the A Capella Choir. To the A Capella Choir, the Sophomore Mixed Chorus is the A Capella Choir.

CONTESTS INSPIRE

THE MUSIC DEPARTMENT HAS A VARIETY OF CONTESTS FOR STUDENTS TO PARTICIPATE IN.

THE MUSIC DEPARTMENT HAS A VARIETY OF CONTESTS FOR STUDENTS TO PARTICIPATE IN. THE CONTESTS ARE HELD AT THE END OF EACH SEMESTER AND ARE A GREAT WAY FOR STUDENTS TO SHOW OFF THEIR TALENTS.

REGARDING THE MUSIC DEPARTMENT, THE STUDENTS ARE VERY TALENTED AND WORK HARD TO PERFORM AT A HIGH LEVEL. THE DEPARTMENT IS A GREAT PLACE FOR STUDENTS TO LEARN AND GROW.

AS THE CONTEST DAY DRAWS NEAR, MANY STUDENTS LIKE CAHY KEEP PRACTICING TO PERFECT THEIR PAGES.

MUSICIANS DISPLAY TALENT IN CONCERT

The marketing Band 2 was a 2000 lb. lot of 1000 lbs. of the many species of the 1000 lb. lot. During the marketing of the 1000 lb. lot, the Band 2 was not a 2000 lb. lot and was not a 2000 lb. lot. The 1000 lb. lot was the 1000 lb. lot which was the 1000 lb. lot. However, the 1000 lb. lot was not a 2000 lb. lot. At the 1000 lb. Band 2, the 1000 lb. lot was not a 2000 lb. lot. Such as the 1000 lb. lot of the 1000 lb. lot. The 1000 lb. lot was given. P. 2 was given to the 1000 lb. lot.

When the 1964 season ended, the Marching Band joined a Concert Band which performed for the rest of the year. The members played from a wide repertoire of music for the students. They played on woodwinds and provided the music for the beginning of exercises.

MAJORETTES DISPLAY POISE, STYLE

While the majorettes performed their routines, Sparky was the center of attention.

Sparky was the center of attention while the majorettes performed their routines.

Sparky was added to the halftime presentations as the majorettes performed to a variety of tunes. The majorettes' hat and cane routine to the Broadway hit of "Mame" was contrasted by the modern precision flag drill "By the Time I Get to Phoenix". In addition to the entertainment at halftime, these girls performed at the pep rallies and during the basketball intermission with the help of the pep band.

The person responsible for these talented performers was head majorette Sue Peters. Helping her with the routines were Jo Geese, Debbie Damer, Peggy Large, Barbara Aman, Faith Weston, and Laura Lafferty. The long hours of practice resulted in well-performed shows that were appreciated by all.

SOUNDS BECOME REFINED

The High School Orchestra had a very successful year with much entertainment work. The season started off the season as it provided the opportunity for the A.C. to produce a production of *The Mayor* in one of the two concerts performed. The boys put their talents and effort together with that of the members of the McKinley High School Orchestra. Mr. Durato provided a guitar and a horn for the strings while Mr. Moore played the tuba. The orchestra began the season with Miss Durato as the only student conductor and a few. This provided an opportunity for string players to become familiar with additional music literature. A wide range of musical experience was found as the orchestra progressed.

TEAMMATES TOWARD ULTIMATE SUCCESS

With the loss of size and needed depth from last year's football squad, renewal of a second consecutive Federal League championship looked dim. The season of 1969 was to be a year of rebuilding and struggling, and determination was the key factor involved. This factor proved only too true as the boys ended the season with an outstanding total of 7 wins, 2 losses, and 1 tie, to place them tied for second in the League.

Each individual on the squad contributed to the team's fine success by his determination, but it was only possible for a few to be given public recognition. Scott Freday, Mark Gulling, Bill Novotny, and Dave Kuhn were honored on the All-Federal League Team while Freday and Gulling obtained positions on WHBC's All-County Team. Freday also along with Novotny placed on *The Canton Repository's* All-County Team. Much acknowledgement must be given to these boys.

Credit must be given to Coach Hertler and his exceptional staff for guiding the team and representing Hoover High School.

[Caption text is too small to read]

Under the direction of head coach Mr. Richard Gross and line coach Mr. William Nutt, the skillful freshman football squad had another winning season. With just one defeat the frosh warriors valiantly charged to a 6-1-0 season. The team faced many tough opponents but hard work and good leadership brought the team through in fine style.

The freshman team fought hard and learned what real teamwork was. They gained valuable experience and showed a keen ability in their first year of high school competition.

Freshmen showed fine defense holding four teams scoreless and the remaining opponents to only 30 points.

QUICK PACE IS SET

Coach John Foster led the Cross Country team to a very successful season in his first year at Hoover. The team clinched the Federal League crown by a wide margin. They also finished 4th out of 14 teams in the District meet and 3rd out of 15 teams in the Stark County meet.

Credit must be given to runner John White, Most Valuable Player who represented HHS at the regionals.

Hoover's Federal League Championship was a triumph but full of determination and hard work during a long hard season.

COACH KING FACES VARIED EXPERIENCES

The first three basketball games of the 1969-1970 season started off to be a repeat of the past years. It looked like a long road ahead for the squad as well as the fans. But things began to pick up as the Vikings staged their first victory with Marlinton. The remaining games proved to be exciting and successful for the team. Completed a 12-6 winning season record for a second place tie in the Federal League. Hoover entered the sectional tournaments optimistically and defeated their first opponent Marlinton for the third time. They were then faced with Massillon whom they bowed out to with a 68-61 score. The loss was a disheartening one.

Not enough thanks can go to the team and the coaches who have finally put basketball on the map for the most exciting sport in America.

The Reserve Basketball team ended their season with an overall record of 14-4 and a league record of 14-3. The team was composed mainly of sophomores in order to build for future varsity competition. Jim Armstrong, Ben Weston, Dave Honold, and Dave Heggy led the team in scoring and rebounding. This year's reserves should be a great help to the Varsity squad next year.

Coach Foster had high praise for the team when he said, "We were very pleased with the performance of all our boys." These basketball players have provided exciting games for the enjoyment of the Viking fans. A desire to win and able coaches helped the team to a victorious season.

FROSH SCRAMBLE FOR SUPERIOR RATING

The freshman basketball team has started the season with a 9-3 record in scheduled games. Top scorers Mark Lukens, Bob Ward and Tom Starrett helped to fight off their opponents.

This year's team has great potential, said Coach Gross. It will be up to them to improve on some basic fundamentals if they are to become a good varsity team.

Both squads will experience the same thing. They will be another team from the future.

GOLFERS' STROKES PAR THEIR COURSE

Under the coaching of Dick King, the golf team of 1969 accumulated a record of 6 wins and 14 losses. Although they did not have a winning season, they played with great determination and depth in matches that might have gone either way.

Spearheaded by the experienced Britt Runion and Dave DeBlender, the Viking linksmen conquered the Oakwood Raiders by a score of 6-3, which was the highlight of the golf year.

Senior Britt Runion captured the title of Most Valuable Player and Sophomore Kent Weil took the honor of the Most Improved Player.

Having lost two excellent players, the prospects for the 1970 season still look very promising with four fine returning lettermen, who will carry on the team's winning spirit.

AGILE TENNIS TEAM SWINGS INTO ACTION

Tom Powe, regular doubles competitor, springs into the air as he returns the sphere forcefully.

Assuming the serving stance, Walt Ream leans far back to gain superior smashing power.

The 1969 Viking Varsity tennis team, in its third organized season, had an outstanding season with a record of 13 wins and 1 loss. The only loss of the season was suffered at the hands of a tough Lehman team, but this loss was later nullified by an impressive victory over the Polar Bears in a later match. This outstanding record was compiled as the result of diligent practice, hard work on form, and stress on strength and position.

The team, under the guidance of Coach Donald Miller, was led through the season by Most Valuable Player, Bruce Tailey. Other top players returning for the 1970 season are Robert Meister and Mickey Franta. These boys scored in matches that led to Hoover's success.

Season highlights were wins over a determined Glenwood team, strong McKinley team, and skillful Jackson squad.

The Hoover High cindermen came through their 1969 season with a record of five wins and four losses. The essential victories came against Canton, South, and Marlinton. Top runners of the season were Paul Yoder, Most Valuable Player, and letters. These tracksters had a lot to say about their season.

RUNS AVERAGE TO A FINE SEASON

Again this year under Head Coach Don Hertler, the Vikings roared off to another outstanding season of 16 wins and only 6 losses. As one can see the Vikings had an extremely strong fielding team, allowing their opponents to complete only 72 runs to Hoover's total of 124. Dale Wilson and Scott Freday both proved to be excellent pitchers with records of 4-0 and 5-2 respectively. Leading the team in batting were Mark Gulling with an average of .445 and Sheldon Youtz with .343.

TEAMS ARE INSPIRED BY CHEERLEADERS'

Gabe Starcher returns to the Varsity Squad

Lindsay Cullen put forth a great amount of effort and determination in her cheering years at Hoover

Cheerleading provided rewarding and memorable experiences for cheerleader Sue Hodren as she aroused Viking teams to victory

ACTIVE AND VIGOROUS SUPPORT

The Varsity cheerleaders of 1954-55, joined by the Reserve squad. The Reserve squad of 1954-55, joined by the Varsity squad and maintained this spirit through the Reserve squad's cheerleaders. Faithfully these cheerleaders served their team in 1954-55. Also the Freshman cheerleading squad of this year was to raise the spirit and shouts of a class 450 strong. With their own pep and enthusiasm the task was joyously accomplished by the cheerleaders of 1954-55.

RESERVE CHEERLEADERS
Left to right: E. Miller, J. Hendricks, K. Douglas, M. Pratt, K. Holdren

FRESHMAN CHEERLEADERS
Left to right: J. Edmondson, D. Staley, R. Sponseller, F. Platt, T. Van Almen

Novelty

The more we know...

the more there is to learn

Education is like opening an endless series of doors. Behind each succeeding door lies new and exciting territory waiting to be explored. Finding the answer to one question opens the door to a myriad of related questions. Continuing to learn can be like spending the rest of your life unwrapping a surprise package.

✧ We know because we've been doing it throughout our corporate life. Every time we've thought we knew all there was to know about appliances, we've come upon 101 new questions looking for answers. It's sometimes difficult. It's always challenging. And it's always interesting. ✧ And we're sure an important reason for Hoover appliance leadership is that we've never thought of ourselves as know-it-alls.

THE HOOVER COMPANY *to provide for an exciting future*

We've learned one thing about profit.

**If you can't make a little of it...
you can't make much of anything.**

Profit is what keeps a company's wheels turning. So it can keep turning out the products its customers rely on.

And our wheels have been turning continuously for seventy years.

Profit pays for our research and development. It helps us discover new bearing and steel uses.

Profit pays for new facilities. And it pays for the people who have helped to make the profit.

Can you help? Do you have the training and determination it takes to meet the challenges of today's moon-rocketing technology? When you graduate, come see us. And if you plan to go on to college, remember us for the future.

The Timken Roller Bearing Company, Canton, Ohio 44706. An Equal Opportunity Employer

HOOVER'S SUPERSTAFF COMPILES *VIKING*

Planning in the spring of '69, the 199+ young staff embarked on a long year of preparation and exasperation. The staff's first job involved deciding upon a professional photographer. Summer brought a more complicated and time-consuming duty, organizing a ladder diagram. The ladder diagram, which was compiled by the various section editors, is a description of material to be on each page of the book. The layout was then drawn up by a professional artist.

Finally was the time for real bustling. All staff members were in high gear as they arranged for picture taking, wrote copy, and cropped photographs. The word "deadline" caused many nightmares. But now the staff is breathing easier for their work is done, and they can pass the responsibility and experience on to the staff of '71.

THESE ARE THE GIRLS WHO WERE IN THE CHORUS LAST YEAR. THEY WERE ALL IN THE CHORUS LAST YEAR. THEY WERE ALL IN THE CHORUS LAST YEAR.

STAFF EXUDES TALENTS

The girls are working on their projects. They are all very talented and are working hard to complete their projects.

A fine group of students are working on their projects. They are all very talented and are working hard to complete their projects.
